

Riverfront Playhouse is moving downtown to 1950 California Street!

The building is now secured and renovation will begin soon. The Redding community will have a state-of-the-art performing arts venue in which to provide Riverfront's quality live performances. It will be available to rent for seminars, meetings, receptions, movies, music and dance recitals, and a variety of private events. The new theatre will include a bar and reception area, adequate parking, and seating for 150 people.

Thanks to all who have donated in the past. There is more to do to have the new theatre ready for opening. Your continued support is needed and much appreciated.
